

2011 / 12 NEWSLETTER

Something for everyone!

Just like your ski levels and your choices of runs to take, we provide choices too!

Check it out and have a great season ☺

CABLE TV CHOICES

GREEN RUN - Want to keep it easy, smooth and down to the basics. Then our basic analog cable package is for you. No additional boxes and remote controls than the one that comes with your TV. No cable and wiring mess. No worry about which button to press on which remote to get something to work! Just a simple turn on your T.V. and watch 36 channels of quality programming which includes all the major Canadian and US networks, sports channels such as TSN, Sportsnet, SCORE & GOLF channels, and some specialty channels such as the Outdoor Life Network, Food Network and of course TREEHOUSE for the kids. Only \$285 for the entire year.

BLUE RUN – Need a little more than the basics? Want to push it up just a bit? Need to CRUISE THE BLUES on your TV? Then sign up for our DIGITAL cable offering. At no cost we will provide a refurbished digital cable box which will include the basic analog channels mentioned above, additional digital cable channels as well as approximately 75 music channels. Additional theme packs can be purchased on a per channel basis, or by a theme pack with hundreds to choose from. These extra channels over and above the basics, are available on a month by month basis and can be turned on and off remotely via our office in Kelowna. Cost is \$285/yr for the basic cable, \$60/yr for the digital system access & month by month fees for the channels or theme packs of your choice. Check out the complete digital channel choices at <http://omegacom.ca>

BLACK DIAMOND – Here's the choice for you extremists!

OMEGA IS PLEASED TO NOW OFFER HIGH DEFINITION TV! We have HD cable boxes to choose from starting with a basic HD box to dual tuner PVR capabilities. The basic analog and digital cable channels are included with this offering as well. Again, an assortment of individual channels or theme packs, including the HD theme packs, can be purchased on a month by month basis. Cost is \$285/yr for the basic cable, \$60/yr for the digital system access & month by month fees for the channels or theme packs of your choice. Check out the complete HD & Digital channel choices at <http://omegacom.ca>

INTERNET CHOICES

GREEN RUN - We offer high-speed broadband cable internet for an annual cost of \$189 per year. Rental of the cable modem is no charge and installation of the cable modem is a one time fee of \$50 and includes any further servicing / replacement of modems should there be any issues.

BLUE RUN – For you “laptop on the couchers”, we offer high-speed broadband WIRELESS internet for an annual cost of \$189 per year too. Rental of the cable modem and wireless router is no charge and installation & configuration of the modem & router is a one time fee of \$99 and includes any further servicing / replacement of modems and routers should there be any issues.

BLACK DIAMOND – Once again for you extremists, we offer our ROCKET SPEED internet with 5 Mbps download speed for only \$389.00 for the year. Costs of installation are the same as above for either hardwired or wireless connectivity.

So, you get the idea. Rather than forcing you to take all or none, we provide you with the selection of cable TV and Internet choices that meets your needs and budget. You don't have to bundle services to get what you want. If you have a unit in a rental pool and want to provide the essentials of both TV and Internet, your bundled annual cost is only \$474.00 + tax.

Make sure to check out our web-site at <http://omegacom.ca> for further details on our channel listings, digital box packages and Satellite dish trade in offers etc.
